General Canby's Successor-Proceedings of the Board of Supervising Inspectors of Steamboats.

An Important Decision in Regard to the Memphis and El Paso Railroad Lands

penitentiary bill in the hands of the committee, which does not call for more than eight hundred thousand dollars from the State annually, is kept very quiet. When it does come out, it very quiet. When it does come out, it very quiet. When it does come out, it very quiet in the hands of the conference, and Rev. Frederick H. Wines, of Springfield, Illinois, is secretary. It is doubtful whether the discussion will result in any personal declaration of principle. The three declaration of Rumors. boards visited the minwaukee nouse of the city to-day, in carriages, by institutions of the city to-day, in carriages, by institution of the mayor and common as plendid opportunity to furnish a splendid opportunity to furnish necures for several needy ones, to say thing of the group of the convention adjourns to the group of the other two-thirds were blacks—on one expedition, during which is the effects of abeating by men supposed to be members of the other two-thirds were blacks—on one expedition, during which is everal small engagements were fought with the Spanish troops, with varied to the major and common distance of the other two-thirds were blacks—on one expedition, during which is everal small engagements were fought with the Spanish troops, with varied to the other two-thirds were blacks—on one expedition, during which is the city to-day, in carriages, by in the city to-day, in will come like a bomishell, and, perhaps, burst like one. Nothing has been heard from the reform school bill. This a spiendid opportunity to furnish night. Sinecures for several needy ones, to say nothing of the good effect on bad boys, and if it don't pass will be a tremendous of supervising inspectors of steamboats and if it don't pass will be a tremendous oversight. The committee to whom the Vienna matter was referred have made Vienna matter was referred have made and another of the steamboats of supervising inspectors of steamboats to the rumors recently, circulated as to to the rumors recently, circulated as to the significance of his recent trip to are now in session in Washington. At their meeting to-day the committee on before four more recently, circulated as to the significance of his recent trip to washington. Governor Hendricks says, in reply to a direct inquiry: "My visit to Washington City had nothing what-recent trip to the board of supervising inspectors of steamboats of supervising inspectors of steamboats the significance of his recent trip to washington. Governor Hendricks says, in reply to a direct inquiry: "My visit to Washington City had nothing what-recent trip to differ the present government of Spain may of supervising inspectors of steamboats the significance of his recent trip to washington. Governor Hendricks says, in reply to a direct inquiry: "My visit to Washington City had nothing what-recent trip to do with publication of supervising inspectors of steamboats the significance of his recent trip to washington. Governor Hendricks says, in reply to a direct inquiry: "My visit to the rumors recently." Vienna matter was referred have made no report yet and knowing ones say that certain ones who want to go acroes the water, enjoying a froite at the State's and party organization that certain ones who want to go acroes the water, enjoying a froite at the State's not lay of several thousand dollars, intend keeping the bill back till after the adjournment, then getting the suppointed by the governor. The senate appointed by the governor. The senate appointed by the governor. The senate appointed by the governor. The senate of clients and passed a bill providing that the clients and a darf of a circular, to be distributed among the iron manurate was inspection of bother plates. It was favour to the board a darf of a circular, to be distributed among the iron manurate was the first and a dark of a circular, to be distributed and inspection of bother plates. It was not difference to the men in arms, and beying one copy of each certificate of inspection be returned to the appointed by the governor. The senate of the firm of Head, that the department circular, requiring one copy of each certificate of inspection be returned to the department is unnecessary, and that the secretary of the treasury be requested to the same. And it was also appointed by the governor. The senate of the firm of Head, but the disaster to the water of the dealing that the cause of Cuba. It can make no difference to the men in arms, and beying one copy of each certificate of inspection be returned to the department circular, requiring one copy of each certificate of inspection of the treasure of the vessel, attributed to do down the cause of Cuba. It can make no difference to the men in arms, and beying one copy of each certificate of inspection of the treasure of the firm of Head, but the did find the fall of the firm of Head, the department circular and the will all accept no conditions from the sull my measure were elected for four years. If the bill tions: passes the house many will go over-passes the house many will go over-passes the house many will go over-passes the house many will go over-pound, and their struggles to save them— board, and their struggles to save them— tow or freight steamers; neither shall on the required on tug.
